

All In for the Mariemont Experience

"Thanks to the pressure free and diverse learning opportunities of the Warriors Beyond programs, my children are able to tap into interests and talents they didn't even know they had!" — Terri Hurt

"Warriors Beyond Expeditions give our kids real hands-on, experiential learning with the excellence that we have come to expect from the Mariemont School District." — Chris Perkins

"The experiential offerings at Mariemont prepare our kids to be life-learners, to grow through trying and doing, and to develop interests and curiosity. This is so important to becoming the best they can be in the world!" — Sue Reynolds
